One

The Olympus Group strives to realize better health and happiness for people by being an integral member of society, sharing common values, and proposing new values through its business activities.

This “Social IN” concept is key to the basic Olympus philosophy underlying all of our activities. “Social IN” comes from social value in the Company, a concept of incorporating social values into the Company’s activities.

Olympus

VISION

Olympus contributes to society by making people’s lives healthier, safer, and more fulfilling around the world.

Through our business activities, we will work to realize healthier, safer, and more fulfilling lives for people.

Contributing to the greater society by helping to satisfy these fundamental needs, felt by people around the world and throughout society, is Olympus’ true mission, and one we will faithfully fulfill.
